SUPPLEMENTARY INFORMATION:

On September 29, 2014, the U.S. Department of Energy (DOE) published a notice of public meeting and availability of the preliminary technical support document in the Federal Register to make available and invite comments on the preliminary analysis for

ceiling fans energy conservation standards. 79 FR 58290. The notice provided for the written submission of comments by November 28, 2014, and oral comments were also accepted at a public meeting held on November 19, 2014. Various stakeholders have requested an extension of the comment period to consider the preliminary technical support document and public meeting presentation, and to prepare and submit comments accordingly.

DOE has determined that an extension of the public comment period is appropriate based on the foregoing reason. DOE will consider any comments received by midnight of December 9, 2014, and deems any comments received by that time to be timely submitted.

Issued in Washington, DC, on November 21, 2014.

Kathleen B. Hogan,
Deputy Assistant Secretary for Energy Efficiency,
Energy Efficiency and Renewable Energy.
